Memorandum for: The Director

From: Legislative Counsel

Subject: Inquiry from Senator Hayden

1. Senator Hayden called you on 26 October, and in your absence talked with Colonel Baird. Senator Hayden stated that he had received from the Chief of the staff of the Joint Congressional Committee on Printing (of which he is Chairman) a highly critical memorandum on the CIA printing program. The Senator has forwarded the memorandum to us for consideration, and it is attached herewith together with our comments.

2. It is recommended that the Director telephone Senator Hayden (Code 190, Extension 882 or 905) and suggest that the Deputy Director for Administration call on the Senator and give him a detailed reply to the charges contained in the Committee staff's memorandum.
